

Welcome to the Buttercup Miniatures January 2008 newsletter, with a special welcome to all our new subscribers!

We would also like to take this opportunity to wish everyone a very Happy New Year!

Featured in the newsletter this month:

1. General news
2. New web shop items
3. January sale discount voucher

## 1. GENERAL NEWS

Apologies to anyone who tried to visit the web shop just before Christmas and found it was offline. Frances' father was rushed into hospital after collapsing at home, underwent emergency surgery and was in intensive care for several days. We thought it best to take the web shop offline during this time, as we could not guarantee to process orders and post them out in time for Christmas and felt it would be unfair to advertise a service we could not necessarily offer, especially if we had to dash off at short notice. Happily Frances' father is now recovering at home.

Due to the Christmas break and problems outlined above this is of necessity a rather short newsletter, we hope to bring you a longer newsletter next month.
