1. General News

Frances has designed a few new knitting and crochet patterns this month, with several more to come in the next few weeks. Some of our customers have set Frances some very varied challenges recently; the results of these will be available soon.

Kirsten has also been designing some new rug kits, which we hope to have available soon. As usual time has to be allowed for all kits and patterns to be tested before they are put on sale. We are gradually working our way through the e-mails sent to us with your feedback and requests for kits and pattern designs, however there was a large demand for more crochet patterns, which Frances is now working on.

Don't forget we love to hear from you and see items you have made from our patterns, if you have any photos of items you have made from our kits or patterns please do send them to us at: newsletter@buttercupminiatures.co.uk we love to see them and better still display them in our customers gallery on the Buttercup blog site.
