1. General news

Thank you to everyone who took the time to e-mail us with their suggestions and ideas. Also to those of you who sent us e-mails telling us which era your dolls houses are set in, this is very helpful to us when we are planning new products.

We have also been asked for more 1/24th scale accessories and are pleased to announce that we have recently added several more items to our range. More 1/24th scale items will also be added over the following weeks. We are often asked why not all our range of 1/12th scale items are available as 1/24th scale items as well, this is because some items do not adapt well to 1/24th scale and look too chunky, others are just too small already and would not work in 1/24th scale.

Our birthday celebrations continue this month, as we give you the chance to win a prize in our caption competition. We are looking for a funny and witty caption, but please keep them clean, full details and where to find the photo are given below.

With summer holidays looming up on us here in the northern hemisphere, don't forget to take your mini knitting and crochet on holiday with you, but do remember to pack the knitting needles and crochet hooks in hold luggage on planes.
