1. General news

We have been experiencing high levels of demand recently for knitting needles and stocks that we build up occasionally run out. We try to keep all needles in stock but occasionally some of the more specialist ones, such as double-ended needles for example, can temporarily show as out of stock on the web shop. Each knitting needle is made individually by hand and so will take a little more time, than if the needles were mass-produced. We replenish stocks as quickly as possible so if a particular range of needles you require is showing out of stock please check back in a few days.

2. Web shop news

We have added several items of 1:12th scale knitted clothing to the web shop recently. These are strictly 'one-offs' and are offered on a first come first served basis, (we are NOT able to take commissions to knit items). See http://store.buttercupminiatures.co.uk/dolls-house-accessories/miniature-knitting-and-crochet/cat_55.html for details of all the miniature clothes and household items we currently have for sale.

Don't forget that 'This month's special offers' category offers a varied selection of items each month. See: http://store.buttercupminiatures.co.uk/offers-this-month/cat_70.html for details of all this months offers. Remember these offers will change to new offers at the beginning of November 2012.
